

SATURDAY 5 JUNE

Environment & Conservation day- *Well-meaning Walk: Kathryn and John*

This 37th annual Volunteers' Week is taking place during #MonthOfCommunity.

Running throughout June, #MonthOfCommunity brings together some great organisations with some incredible causes from across the UK, to encourage us all to think about and join in with the wide variety of activity happening in our local communities.

The Big Lunch is a chance to celebrate community, volunteering and get to know one another a little better- online, on your doorstep, or over the fence.

Kathryn our Operations Manager is seen here with John, a steering group volunteer - he says, "It's so good to be able to get out again and see people".

Kathryn and John also shared a nice cup of tea and a flapjack while they walked, talked and caught up. Being part of our community is about friendship, well-being, facing challenges and fun!

We aim to inspire people to promote positive change in their own and others' lives.
